SUMMARY

Informatics Engineering student at Universitas Kebangsaan Republik Indonesia with 1+ year of IT support and QA experience and 2+ years of customer-facing experience in retail and F&B. Handles L1/L2 support tickets, troubleshooting, and pre-release testing for CRM, HRIS, and POS products as a freelancer at CV Catalyst Forge. Comfortable communicating with users under pressure, with a foundation in MySQL, Python, JavaScript, and Java. Seeking an IT Support or Helpdesk role in Bandung (on-site, hybrid, or remote).

EDUCATION

Universitas Kebangsaan Republik Indonesia (UKRI) **Bandung, West Java**
Bachelor of Informatics Engineering 2025 - 2029 (Expected)

- **Current Semester:** 3rd semester
- **Areas of Interest:** Data, Quality Assurance, Technical Support, IT Helpdesk

WORKING EXPERIENCE

CV Catalyst Forge | Bandung, Remote
IT Support & QA (Freelance), October 2025 - Present

- Handle **L1/L2 support tickets** from clients, covering triage, troubleshooting, and escalation to the development team.
- Perform **pre-release feature testing** on client products including CRM, HRIS, POS, and Company Profile websites.
- Reproduce and document bugs with steps, screenshots, and expected vs. actual results for the development team.
- Maintain communication with clients until each reported issue is fully resolved.

PT Pesta Pora Abadi | Bandung, On-site
Crew (Contract), November 2024 - Present

- Serve customers directly, from greeting to preparing and delivering orders.
- Record and process takeaway orders and orders from online delivery apps.
- Handle customer questions and complaints quickly during peak hours.
- Keep the store area clean and comfortable according to company standards.

PT Akur Pratama (Yogya Group) | Bandung, On-site
Administration (Part-time), October 2024 - November 2024

- Recorded incoming and outgoing goods and warehouse stock using **Microsoft Excel**.
- Prepared POP (point-of-purchase) materials and props for in-store displays.

PT Permata Indo Sejahtera | Bandung, On-site
Sales Staff (Contract), August 2024 - November 2024

- Greeted and served customers visiting the store.
- Helped customers find products that matched their needs.
- Helped resolve problems customers faced with products and purchases.

TRAINING & PROGRAMS
